Mr. and Miss America

You might call this pretty Mr. and Miss America. The young lady Miss Norma Hamilton of Tulsa, Okla., has held the title of Miss America since last summer's contest at Atlantic City, and the young man is Colonel Charles Lindbergh. And it must be said that Lindbergh seems to be displaying much interest in the beautiful young lady.

## The Emergency Shelf True Secret of Serene Summer Time Hostess

Nuts, Pickles, Cream and  
Canned Goods Always  
Ready

By SISTER MARY  
When we are entertaining through  
the summer months or with any sort of a feast during the  
hot weather, the hostess who does  
her own work finds a problem.  
Of course, if perfectly natural and  
a time-honored custom to com-  
piment the guest by giving her  
the best house affairs, but if elab-  
orate dishes and table service must  
be maintained at the expense of the  
hostess time and strength, the guest  
will feel that her presence is a  
burden and she will be most uncom-  
fortable. Simplicity, practicality,  
inexpensiveness and ease of manage-  
ment, the comfortable hostess and  
more a happy affair.

**Be Prepared**  
In this end these suggestions are  
made. They are simple, practical  
and well worth keeping in  
mind. In the first place, let the  
emergency shelf out the line. With  
the frequently planned there is

## THEY SUFFER NO MORE

Two Women Over Health  
to Lydia E. Pinkham's  
Vegetable Compound

St. Adolph, Manitoba. "I was  
very weak and had great pains  
for periods that  
I could not sweep  
the floor. The  
pains were in the  
right side and ex-  
tended to the left  
and then down  
wards. It seemed  
as if the body was  
heavy and upside  
down. It is for  
these troubles that  
I took the Vegeta-  
ble Compound. I  
saw about it in a paper and one  
woman prevailed on me to take it  
and has helped me in every way.  
The pains are less, and I have more  
appetite. It is a pleasure to recom-  
mend Lydia E. Pinkham's Vegeta-  
ble Compound to other women." Mrs. J. L.  
CORRIE, St. Adolph, Manitoba.

**Found Great Relief**  
Toronto, Ont. "I am in the change  
of life with hot flashes, dizziness,  
weakness and nervousness. I had  
headaches and was short of breath.  
It was this very thing that led me  
to take Lydia E. Pinkham's Vegeta-  
ble Compound in the newspaper.  
I took eight bottles for six and  
great relief. Mrs. R. J. SAL-

## BEAUTY HINTS

By Miss Anne Gerardo

Insufficient cream across the face  
leads to wrinkles, more, more, more, or the  
best of taking too much with your  
fingers.

Try to eliminate the causes.

First, examine with due care to skin  
these causes.

First, did the two thin fingers of both  
hands in skin food and by a rotating  
motion, using the skin thoroughly  
over the whole forehead. Keep your thumbs  
against temples for support.

Second, now try out the wringing in  
the forehead, keeping at the  
center of forehead, press your  
fingers light and draw them slowly but  
very firmly out towards your temples.  
Thin fingers and repeat until you are  
tired.

## Pickles and Picnics; "Good Women" and Dramatizing Mothers

Alma Sommer

Some economists are making a  
great fuss about the American pic-  
nic basket. With impassioned con-  
clusions they give demonstrations, pic-  
tures, and write many papers to  
prove that the picnic basket was  
exactly as well contained good warm  
substantial food, such as hot roast  
beef, warm vegetables and puddings.  
They say that these things about  
our old picnic friends had been  
cheese, sandwiches, apples, and  
pickles, bananas and cake. It is
